PROFILE

- Program Manager with over 5 years leading multi-client digital platforms in regulated environments; PMP-certified and experienced in Agile delivery, backlog governance, and incident management.
- Skilled in coordinating cross-functional teams for SLA-driven, multi-tenant releases and managing client change requests from intake to deployment.
- Background in large-scale cloud transformation and connected-platform delivery; achieved measurable cost optimisation and transparency across executive reporting.

PROFESSIONAL EXPERIENCE

SENIOR PROGRAM MANAGER   Mar 2024 – Sep 2025

CARIAD SE — Wolfsburg, DE

- Directed a transformation programme in Volkswagen Automotive Cloud across all brands/markets; reported to C-level.
- Prioritised and funded work across 12 teams and 6 units; oversaw an eight-figure scope with supplier-to-board visibility.
- Led AWS Migration Acceleration and Copilot automation; standardised SLAs, shared backlog, and release calendar.

SENIOR PRODUCT OWNER   Nov 2020 – Mar 2024

CARIAD SE — Wolfsburg, DE

- Owned delivery of the global Licence & Service Activation platform used in compliance-driven markets.
- Reduced operating costs by ~70% via data-driven change and architecture redesign while meeting SLAs.
- Managed multi-team backlog and incident flow; produced BI dashboards for adoption, performance, and stakeholder status.

TECHNICAL PROJECT LEAD   Mar 2019 – Nov 2020

SEAT S.A. — Barcelona, ES

- Led OCU integration (eCall, remote unlock); coordinated suppliers; managed validation for homologation.

PROJECT CONSULTANT   Dec 2017 – Mar 2019

AKKA Technologies — Barcelona, ES

- Supported connected component integration and validation compliance for OEM programmes.

TECHNOLOGY CONSULTANT   Oct 2015 – Dec 2017

AKKA Technologies — Barcelona, ES

- Delivered IoT firmware (Python/C/C++), web front-ends, and CI/QA pipelines (Jenkins/Git).
